

KRC SUPP X GIFT OF LOVE & COMPASSION

DONATION DRIVE FOR TIJUANA

Where do the donations go?

300~400 migrant families, mostly women and children, from Haiti, Guatemala, Honduras, El Salvador and Cuba are fleeing violence and oppression and seeking temporary refuge at a church in Tijuana (Canon del Alacrán 4094, Divina Providencia, 22000 Tijuana, B.C., Mexico).

They are in need of daily necessities and a safe space for the children to receive education and medical attention - let's support our migrant neighbors by doing what we can!

Donate Items!

- Toilet paper
- Biodegradable detergent
- New underwear (for adults and children)
- New flip flops
- New shoelaces (CBP confiscates the shoelaces of the migrants to make walking harder for them)
- Chessboard, go game set, entertainment for children that doesn't create too much trash
